

Safer Water, North Texas

2019 Frisco City Council Candidate Q&A

Jeanne Weisz

- 1) Are you satisfied with the current status of Frisco's water quality, including the annual chlorine maintenance?
 - 2) If not, what are your concerns about Frisco's water?
 - 3) What do you believe you could do as a Frisco City Council member to change the Frisco water quality?
 - 4) If you are an incumbent, what have you done in the past 2 years that provides voters with insight regarding your possible future actions if re-elected?
 - 5) Will you take responsibility to ensure that all Frisco water towers and water tanks are cleaned on the inside at least once every 3 years?
-

Thank you for considering my answers to your questions. This is a very important subject that I need to review in more depth before I give my views and opinion.
